It's Summer and the Livin' is easy on the Bay of Quinte.

The Bay of Quinte Remedial Action Plan is running its Photo Contest with a Twist 3. Capture that perfect shot of summer fun on the Bay of Quinte, contest deadline is September 1, 2016.

The Bay of Quinte is one of the most picturesque areas around Lake Ontario. Summer offers multiple opportunities to get outdoors and enjoy all the amenities the Bay provides this area. This summer, photograph your favourite activity, whether it's: walking or biking the waterfront trail, attending the numerous outdoor events and festivals held on the Bay of Quinte shores, fishing for trophy walleye and bass, an evening sail, or hanging out with friends on a waterfront patio.

Enter your summer photos in the Photo Contest with a Twist 3, now, here is the twist. There will be ten winning photos chosen and if your photo is one of the winning entries, it will be interpreted by an area artist in a different medium - watercolour, glass, oil, pottery, wood, etc. . "It's always fascinating to see how people visualize the same image differently, and how they interpret it," says Sarah Midlane-Jones, BQRAP Communications.

The winning photos and interpretations will be displayed at the Belleville Art Association gallery as part of their Nov/Dec show.
